

# Faster Freight – Cleaner Air California 2008

## General Session Agenda

---

### DAY ONE: MONDAY, FEBRUARY 25, 2008

**7:30am – 8:30am**      **Continental Breakfast**

**8:30am – 11:30am**      **Goods Movement 101 Breakout Sessions**

The Goods Movement 101 Sessions are designed to provide an overview of each topic in order for attendees to gain a general understanding of the many ongoing efforts aimed at making improvements within the goods movement sector. These sessions are free-of-charge and open to both the public and FFCA attendees.

**8:30am – 9:15am**      **Community Health 101 – Colleen Callahan**, Program Coordinator, Los Angeles County, American Lung Association **and Swati Prakash**, Program Director, Pacific Institute, Environment, and Security  
**San Pedro Bay Ports Clean Air Action Plan 101 – Robert Kanter**, Director of Planning and Environmental Affairs, Port of Long Beach **and Ralph Appy**, Director of Environmental Management, Port of Los Angeles  
**Emissions Inventory 101 – Bruce Anderson**, Air Quality Director, Principal, Starcrest Consulting Group, LLC

**9:30am – 10:15am**      **Steps to a Career in Logistics – Joan Rollins**, President, Rollins & Associates, Personnel Services, Inc.  
**EPA's National Ports Strategy & Clean Ports USA– Reema Loutan**, Environmental Engineer Region 2, U.S. Environmental Protection Agency  
**South Coast Air Quality Management Plan 2007 – Elaine Chang**, Deputy Executive Officer, South Coast Air Quality Management District  
**Rail 101 – Kirk Marckwald**, Principal, California Environmental Associates  
**Analysis of Goods Movement Emission Reduction Strategies - Jeffrey Ang-Olson**, Principal, ICF International

**10:30am – 11:15am**      **Community Health 101 – Colleen Callahan**, Program Coordinator, Los Angeles County, American Lung Association **and Swati Prakash**, Program Director, Pacific Institute for Studies in Development, Environment, and Security  
**Gateway Cities Fleet Modernization and Retrofit Program – Patrick Couch**, Senior Engineer, TIAX, LLC and Program Administrator, Gateway Cities Council of Governments Fleet Modernization Program  
**California Air Resources Board: Emission Reduction Program for Ports & Goods Movement – Cynthia Marvin**, Assistant Division Chief, California Air Resources Board  
**Southern California Association of Governments – Regional Transportation Plan – Naresh Amatya**, Interim Manager of Transportation Planning and Programming, SCAG  
**San Pedro Bay Ports Clean Air Action Plan 101 – Robert Kanter**, Director of Planning and Environmental Affairs, Port of Long Beach **and Ralph Appy**, Director of Environmental Management, Port of Los Angeles

- 9:00am – 11:00am**      **Off-site Rail Tour:** BNSF Commerce Hobart Yard – LNG Yard Hostler Program and Various Low Emission Locomotives
- 11:30am – 1:00pm**      **Conference Welcome Luncheon**  
Sponsored By: Southern California Gas Company
- 11:40am – 11:45am**      **Introduction of Mayor Antonio Villaraigosa**  
**Anne Shen Smith**, Senior Vice President, Southern California Gas Company
- 11:45am – 12:00pm**      **Welcome and Official Conference Opening**
- **Mayor Antonio Villaraigosa**, City of Los Angeles
- 12:00pm – 1:00pm**      **Host Welcome Panel: Setting the Framework**  
**Panelists:**
- **Wayne Nastri**, Region IX Administrator U.S. Environmental Protection Agency
  - **Mary Nichols**, Chair, California Air Resources Board
  - **Barry Wallerstein**, Executive Officer, South Coast Air Quality Management District
  - **Gary Ovitt**, President, Southern California Association of Governments
  - **Mario Cordero**, President, Long Beach Board of Harbor Commissioners
  - **S. David Freeman**, President, Los Angeles Board of Harbor Commissioners
- 1:00 pm – 1:45 pm**      **Breakout Session 1 – Topic: Regulatory Update**  
**Tracks: Marine, Rail, On-Road, Air Freight, Infrastructure**
- 1:45pm – 2:15pm**      **Coffee Break**
- 2:15pm – 2:30pm**      **Setting the Stage: Industry Overview and Forecast of Regional, National and International Trade Growth**
- **John Husing**, President, Economics & Politics, Inc.
- 2:30pm – 3:45pm**      **Working Together: The Road to 2020**  
**Moderator: Mary Nichols**, Chairman, California Air Resources Board  
**Panelists:**
- **Mike Rush**, Associate General Counsel, Association of American Railroads
  - **Michael Campbell**, Chief Executive Officer, California Trucking Association
  - **Joseph Radisich**, Vice President, International Longshore & Warehouse Union
  - **Tim Carmichael**, Senior Policy Director, Coalition for Clean Air

**Audience Q&A**

**3:45pm – 4:15pm**

**Increased Throughput, Reduced Emissions**

- **Matt Rose**, Chairman, President and Chief Executive Officer, BNSF Railway

**Audience Q&A**

**4:15pm – 6:00pm**

**Expo Hall Grand Opening Reception / Book Signing – *Winning Our Energy***

*Independence: An Energy Insider Shows How* by S. David Freeman

Sponsored by: Latham & Watkins, LLP

## DAY TWO: TUESDAY, FEBRUARY 26, 2008

- 7:00am – 8:30am **Breakfast in the Expo Hall**  
Sponsored by: Sprint Nextel
- 8:45am – 10:00am **The Tide is Turning: Environmental Initiatives Sweeping North America and Beyond**  
**Moderator:** Geraldine Knatz, Executive Director, Port of Los Angeles  
**Panelists:**
- **Phil Kurys**, Director, Sustainable Development, Transport Canada: *Government of Canada Initiatives to Reduce Air Emissions From Freight Transportation*
  - **Eric Sisco**, President, APM Terminals North America: *APM Portsmouth Terminal – Innovation Meets Environmental Stewardship*
  - **Swati Prakash**, Program Director, Pacific Institute – *A Collaboration for Air Quality: Oakland's Maritime Air Quality Improvement Plan*
  - **Timothy J. Farrell**, Executive Director, Port of Tacoma – *Northwest Ports Clean Air Strategy*
- 10:00am – 11:30am **Breakout Session 2 – Topic: Innovative Technologies and Programs**  
**Tracks:** Marine, Rail, On-Road, Air Freight, Infrastructure
- 11:45am – 12:45pm **Day Two Keynote Luncheon**  
Sponsored by: Southern California Edison
- 12:05pm – 12:10pm **Introduction of Mayor Bob Foster**  
**John Fielder**, President, Southern California Edison
- 12:10pm – 12:30pm **Keynote Address**
- **Mayor Bob Foster**, City of Long Beach
- 12:45pm – 1:45pm **Networking Coffee Break in the Expo Hall**
- 1:45pm – 2:45pm **Roundtable: Marine Emission Reduction Strategies**  
**Moderator:** Richard Steinke, Executive Director, Port of Long Beach  
**Panelists:**
- **Captain Yoh Huat Tey**, Vice President of Technical Services, APL
  - **Andrew Green**, Senior Air Program Engineer, Environment Canada
  - **Joe Angelo**, Deputy Managing Director, INTERTANKO
  - **Captain Bill Williams**, North American Vice President, Health, Safety, Environment & Quality, Maersk, Inc.
  - **John Kaltenstein**, Marine Program Manager, Friends of the Earth US
  - **Bryan Wood-Thomas**, Associate Director, Office of Transportation and Air Quality, U.S. Environmental Protection Agency
- 2:50pm – 3:10pm **Gateways and Trade Corridors – A California Perspective**
- **Dale Bonner**, Secretary, Business, Transportation and Housing Agency
- 3:15pm – 4:30pm **Roundtable: Tackling the Transition to Greener Drayage Operations**  
**Moderator:** David Abel, Publisher/Editor-In-Chief, Metro Investment Report and The Planning Report

**Panelists:**

- **Paul Landry**, President & CEO, British Columbia Trucking Association
- **Chuck Mack**, Director, Port Division, International Brotherhood of Teamsters
- **Vic La Rosa**, President and Co-Founder, Total Transportation Services, Inc.
- **Matthew Schrap**, Manager of Environmental Affairs, California Trucking Association
- **Todd Spencer**, Executive Vice President, Owner – Operator Independent Drivers Association

**4:45pm – 7:00pm**

**“Lights! Camera! Action!” Evening Reception**

## DAY THREE: WEDNESDAY, FEBRUARY 27, 2008

- 7:00am – 8:30am      **Breakfast in the Expo Hall**
- 8:30am – 8:45am      **SB974 – Infrastructure & Air Quality Improvements**  
Senator Alan Lowenthal, California State Senate, District 27
- 9:00am – 10:30am    **New Opportunities for Technology and Infrastructure Funding**  
**Moderator:** Hasan Ikhata, Executive Director, Southern California Association of Governments  
**Panelists:**
- **Kathleen Brown**, Managing Director – Public Finance, Goldman Sachs – *Public Private Partnerships in California (AB1467)*
  - **Julie Nelson**, Deputy Administrator, Maritime Administration, U.S. Department of Transportation – *SAFETEA-LU Reauthorization and Funding for Goods Movement*
  - **Kathryn Phillips**, Manager, California Clean Air for Life Campaign – *Finding Funding by Spending Smarter: Environmental Performance and Transportation Infrastructure Spending*
  - **Cindy Tuck**, Undersecretary, California Environmental Protection Agency - *Topic TBA*
  - **Leslie Blakey**, Executive Director, Coalition for America's Gateway and Trade Corridors - *Federal funding for Freight & Goods Movement Infrastructure*
- Audience Q&A**
- 10:30am – 10:50am    **Coffee Break**
- 10:55am – 11:05am    **"US EPA's Voluntary Transportation Programs: The SmartWay Transport Partnership and the National Clean Diesel Campaign" - Gay MacGregor**, Senior Policy Advisor, Office of Transportation and Air Quality, U.S. Environmental Protection Agency
- 11:10am – 11:30am    **"Johnson & Johnson: Sustainability Practices Leading the Way" - Chris Conley**, Director of Environmental Engineering, Worldwide Consumer Operations, Johnson & Johnson
- 12:00pm – 2:30pm    **Networking Lunch in the Expo Hall**
- 1:30pm – 4:30pm      **Harbor Tour, BNSF Commerce Hobart Yard and Ride & Drive Activities**

# Faster Freight – Cleaner Air California 2008

## Breakout Session Agenda

### DAY ONE: MONDAY, FEBRUARY 25, 2008

1:00pm -  
1:45pm

#### **Breakout Session 1: Regulatory Update**

Tracks: Marine, Rail, On-Road/Trucking, Infrastructure, Air Freight

##### **Marine:**

Moderator: **George Cunningham**, Editor, The Cunningham Report

Panelist: **Roxanne Johnson**, U.S. Environmental Protection Agency, Region IX - *Category 3 Engine Rule*

Panelist: **Trish Koman**, Clean Ports USA Program Manager, U.S. Environmental Protection Agency - *Update on IMO Negotiations and MARPOL Annex VI*

Panelist: **Paul Milkey**, Air Pollution Specialist, California Air Resources Board – *California OGV and Harbor Craft Rulings*

##### **Rail:**

Moderator: **Norman Fassler-Katz**, Senior Consultant, California Senator Alan Lowenthal

Panelist: **Donald Kopinski**, Senior Project Manager, U.S. Environmental Protection Agency, - *Federal Regulation to Control Emissions from Locomotives*

Panelist: **Michael Jaczola**, Staff Air Pollution Specialist, California Air Resources Board – *Progress on Understanding and Improving Locomotive Emissions in California*

Panelist: **Zorik Pirveysian**, Planning and Rules Manager, South Coast Air Quality Management District – *SCAQMD Efforts to Reduce Emissions from Locomotives*

##### **On-Road/Trucking:**

Moderator: **Angelo Logan**, Executive Director, East Yard Communities For Environmental Justice

Panelist: **John Gruszecki**, Staff Air Pollution Specialist, California Air Resources Board – *Update on Regulations to Clean Up On-Road Diesel Port Trucks*

Panelist: **Thomas Jelenic**, Senior Environmental Specialist, Port of Long Beach - *San Pedro Bay Ports Clean Trucks Program*

Panelist: **Tony Brasil**, Manager, In-Use Control Measures Section, California Air Resources Board – *Update on Regulations for Private Fleets*

##### **Infrastructure:**

Moderator: **Bonnie Lowenthal**, Vice Mayor, District 1, City of Long Beach

Panelist: **Leslie Rogers**, Region IX Administrator, Federal Transit Administration – *Update on SAFETEA-LU*

Panelist: **John Barna**, Executive Director, California Transportation Commission – *Implications of Climate Change Regulation on Transportation Planning*

### **Air Freight:**

Moderator: **Mike Carroll**, Partner, Latham & Watkins, LLP

Panelist: **Ev Ashworth**, Ashworth Leining Group – Estimating Emissions from Ground Support Equipment

Panelist: **Philip Fine**, Atmospheric Measurements Manager, South Coast Air Quality Management District - *General Aviation Airport Air Quality Monitoring Project Results*

## **DAY TWO: TUESDAY, FEBRUARY 26, 2008**

10:00am -  
11:30am

### **Breakout Session 2: Innovative Technologies and Programs**

Tracks: Marine, Rail, On-Road/Trucking, Infrastructure, Air Freight

#### **Marine:**

Moderator: **Trish Koman**, Clean Ports USA Program Manager, U.S. Environmental Protection Agency

Panelist: **Jorn Winkler**, Founder, DK Group – *DK Group's Air Cavity System*

Panelist: **Susan Hayman**, Vice President, Health, Safety, Quality and Environment – *Foss Maritime Company, World's First Hybrid Tugboat*

Panelist: **Leo Schnellmann**, Technical Director, Wärtsilä America Inc. – *Making the Switch to Low Sulfur Fuel*

#### **Rail:**

Moderator: **Janea Scott**, Staff Attorney, Environmental Defense

Panelist: **Pete Lawson**, Product Line Manager – Freight Locomotive, General Electric Transportation – *Approaching Tier 3 & 4 Environment Standards*

Panelist: **James Wurtz**, Vice President, National Railway Equipment Company – *Success with Multi Engine Locomotives and Advanced Product Line*

Panelist: **Andrew Fox**, President, Pacific Harbor Line – *Low Emission Locomotives Meeting the Operational Demands at the San Pedro Bay Ports*

Panelist: **Michael Iden**, General Director Locomotive Engineering, Union Pacific Railroad Company – *Engines of Change and Future Fuels for Locomotives*

#### **On-Road/Trucking:**

Moderator: **Kristin Riha**, Environmental Protection Specialist, U.S. Environmental Protection Agency, Region 9

Panelist: **Bob Towle**, Emissions Compliance Expert, Ironman – *Reducing Emissions with Retrofits*

Panelist: **Jim Williams**, International Truck and Engine Corporation – *Hybrid Development and Applications Update*

Panelist: **Michael Gallagher**, President and Chief Operating Officer, Westport Innovations – *Natural Gas Engines for Cleaner Port Trucks*

Panelist: **Butch Musselman**, VP Industry Solutions, Sprint Nextel – *Cell Phone Technology for an Advanced Transport Communications System*

**Infrastructure:**

Moderator: **Rich Macias**, Interim Director of Planning and Policy, Southern California Association of Governments

Panelist: **Rick Bishop**, Executive Director, Western Riverside Council of Governments – *Addressing Freight Mobility in the Inland Empire*

Panelist: **Mark Sisson**, Principal, DMJM Harris – *Growing Green at the ICTF*

Panelist: **Dan Smith**, Principal, The Tioga Group – *Inland Port Feasibility Study*

Panelist: **David Chow**, Director, IBI Group – *High Speed Rail Transport Study*

**Air Freight:**

Moderator: *TBA*, Air Transport Association of America

Panelist: **Rae Gabelich**, City of Long Beach Councilmember, District 8 – *Green Airport and Neighborhood Protection Plan*

Panelist: **Brett Caldwell**, AICP, Airport Planner, San Diego County International Airport Authority – *Alternative Fuel Vehicle Program at San Diego International Airport*

Panelist: **Greg Zilberfarb**, Commercialization and Outreach Project Manager, PERC – *Benefits of Propane to Reduce GSE Emission*
