

# Funding for Green Goods Movement Technologies and Programs

## Faster Freight – Cleaner Air Conference

Barry R. Sedlik

Acting Secretary

Business, Transportation and Housing Agency

February 28, 2007

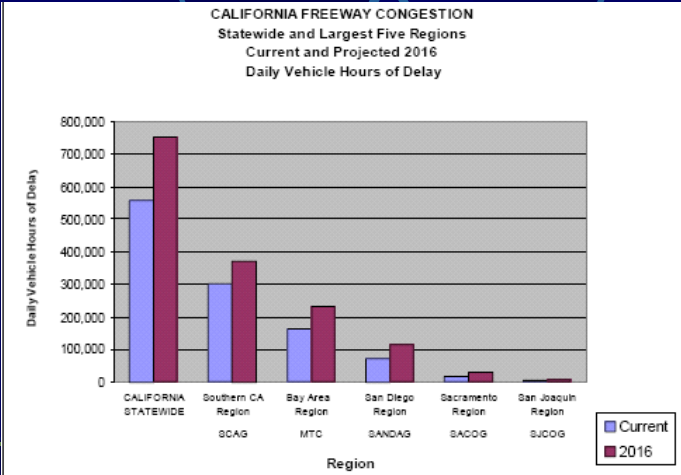

1

## Governor Schwarzenegger has undertaken the largest strategic infrastructure improvement program in almost four decades.

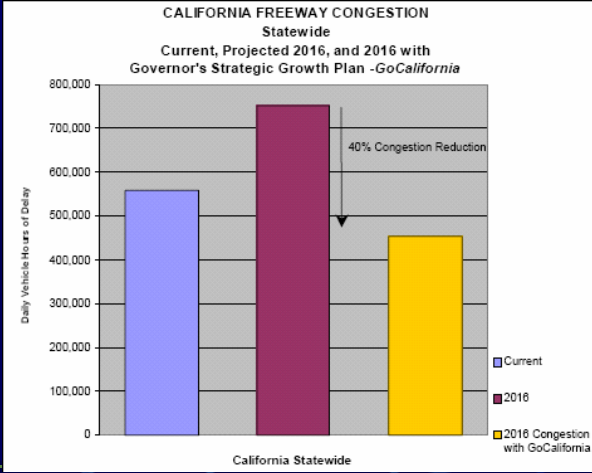

Infrastructure Type	Total 10 Year Investment	Approved General Obligation Bonds as of November 07
Water	\$35 Billion	\$4.1 Billion
Housing		\$2.85 Billion
Education	\$59.9 Billion	\$10.4 Billion
Public Safety	\$20.7 Billion	
Transportation & Air Quality	\$107 Billion	\$20 Billion
Total	\$222 Billion	\$ 37 Billion

2

# For transportation the focus is on congestion relief.

# Transportation investment will focus on improvements that reduce congestion 20% below today's levels.

## System improvements require a range of activities to improve mobility.

5

## Focusing on goods movement, the Administration has developed a \$16 billion Action Plan.

- Investment (leveraging \$3.1 billion bond funds)
  - Infrastructure : \$10 billion
  - Air Quality: \$6 billion
  - Homeland Security: \$100 million+

6

## The Four “Port to Border” Regions

- Los Angeles-Long Beach
- Bay Area
- Central Valley
- San Diego

7

## Key “Solution Set” Themes

- Truck Port Access Improvements
- Rail Mode Increases / Grade Separations
- System Throughput / Velocity Improvements
- Bay Area / Central Valley Access Improvements
- International Border Access / System Velocity Improvements

8

## Actions cover wide range of issues and timeframes

- Over 200 Preliminary Candidate Actions Defined
  - Dimension
    - Infrastructure and Operations
    - Public Health and Environmental Mitigation
    - Community Impact Mitigation and Workforce Development
    - Public Safety and Security
  - Timeframe
    - Immediate
    - Short-term (0-3 years)
    - Intermediate (4-10 years)
    - Long-term (>10 years)

9

## Key issues still need to be addressed

- How do we meet long-term goods movement investment needs?
- How do we achieve maximum leverage?
- How do we assure lowest project costs?
- How do we assure accountability for system performance & cost-effectiveness?

10

# Work In Progress

- Partnership
  - Public-Private
  - Public-Public
- Design-Build
- Governance/Accountability
  - Joint Power Authorities
  - Alternative Implementations

11

# THANK YOU!!
